SANITARY WARE COLLECTION 2021

Vol.3 | Issue 12 | www.aquantindia.com

SANITARY WARE COLLECTION 2020/21

The Aquant Sanitaryware collection offers you a wide variety of products that suit every taste and transform the personality of your bathroom. We help make your bathroom a place that is a reflection of you – one which expresses your individual style and answers all the needs of your family and home. Create a look, feel, and character that is all your own with 'bathrooms for life', from Aquant.

Contemporary, luxurious, stylish, durable, and economical – whatever your style, Aquant puts your perfect bathroom within easy reach. Our collection of designs gives you the flexibility to create the bathroom you've always dreamed of, and you can relax in the knowledge that your bathroom will continue to look great and work well for many years to come.

AQUANT
CONTEMPORARY BATHROOMS

Aquant Introduction

In 2006, Aquant started providing more than just basic sanitary ware and bathroom fixtures by actively seeking out exclusive and innovative products. The company's founders realized the need for exclusive, fashion forward products in the world of bath design.

WORLD-CLASS OEM PARTNERS

In a globalized world, it is important to choose the right supply partners. Our unrivaled supply chain capabilities give us the ability to design products in response to latest global trends and bring them to India way ahead of our competition.

We source the raw materials, internal components & finished products of our expansive product range from 60+ World-Class OEM companies in Italy, France, Hungary, Turkey, China & Indonesia. Each manufacturer is selected only after meticulous factory and product quality inspections.

10 YEAR WARRANTY

We are confident that our products will give you many years of trouble-free operation. However, for peace of mind, all our products are covered by the following warranties:

Vitreous China (Glossy White/Ivory Ceramic)	10 Years
Sanitaryware Finishing (Matt Finishes/ Glossy Color Finishes/Electroplating, etc.)	03 Years
Toilet-Seat Soft-Close Mechanism	01 Year
Toilet Seat or Flush Tank Spare Parts	01 Year

Our Team is passionate about delivering Exceptional Customer Service. We have a dedicated Toll-Free Customer Helpline backed by Service-Centres across the country.

LUXURY MADE AFFORDABLE

Aquant is on a mission to bring luxurious products to India at affordable price points.

We supply directly to limited showrooms across India without employing distributors; cutting out middle-men leads to substantial cost-savings which are passed to our customers. Cost-savings are also gained through our efficient adoption of global lean management techniques, latest warehouse management systems and advanced supply-chain capabilities.

This results in happy customers with world-class bathroom products purchased at best-in-class economical price-tags!

LUXURY
MADE
AFFORDABLE

Thus began the progression of traveling the world to visit factories for the latest designs, quality materials and workmanship. Within a decade, the brand has expanded over 300 dealers with presence in 52 cities and towns across India.

STRINGENT QUALITY CONTROL

Aquant employs a large Quality Control (QC) team at manufacturing locations. Products must conform to strict quality standards. Every piece of Aquant Sanitary ware is inspected for pin-holes, micro-cracks & color consistency. Each Bathroom Fitting is tested under 0.75MPa air pressure and 1.6MPa water pressure to guarantee no leakage.

BEST QUALITY INTERNAL PARTS FROM EUROPE

Single-lever & Thermostatic cartridges along with Aerators form the heart of any faucet. Aquant sources these parts from the best manufacturers in Europe – Kerox of Hungary (Single-Lever Cartridge), Vernet of France (Thermostatic Cartridge) & Neoparl of Switzerland (Aerators). Each faucet handle passes the open-&-close test for 500,000 operations.

EXCELLENCE IN DESIGN

By working with some of India's leading designers, we understand the latest trends. Our design-sense is exemplified by the consistent launching of globally trending Sanitaryware, Faucets & Showering Systems.

Our collection is comprised of contemporary products that exude luxury and combine exquisite style with state-of-the-art technology, unparalleled performance and the highest quality.

The Latest in Toilet Technology

'TORNADO-SWIRL' FLUSHING

A powerful new flushing system, the 'Swirl Flush' is optimized for effectively cleaning the toilet bowl. This technology enables a more silent flushing with a tornado-like action generating a strong flushing momentum.

'RIMLESS' DESIGN

A 'Rimless' WC has a unique flushing system and its design effectively prevents dirt and deposits from accumulating inside the toilet bowl. Since the toilet has no rims, there are no hidden cavities where dirt can gather. This makes the inner surface much easier to clean compared to a conventional toilet.

'BLIND INSTALLATION' DESIGN

Blind Installation is a unique hidden fixation system for Toilets. The WC is attached to the structure using the clamping holes of the toilet seat. This leaves the side-walls of the WC without any fixing holes. This not only makes the toilet design aesthetically pleasing but also makes the toilet easy to maintain since the entire exterior is completely seamless and smooth.

UF TOILET SEATS

Our Premium Toilet range has seat covers made of UF (Urea-Formaldehyde). Compared to conventional PP (Polypropylene) seat covers, UF seat covers are high quality and scratch-resistant. UF seat covers are easy to clean and do not lose their shine even after years of use. All our UF seat covers are produced with EPA registered resins, able to hamper the growth of germs and bacteria.

'QUICK-RELEASE' TOILET SEATS

All Aquant UF seat covers have a 'Quick-Release' function and can easily be detached and reattached, which makes the process of deep cleaning the toilet very easy.

'SOFT-CLOSE' TOILET SEATS

All Aquant toilet seats are 'Soft-Close', a practical and quiet alternative to traditional toilet seats. Soft-Close toilet seats are a must for households with small children, allowing them to use the toilet with ease without the risk of fingers getting trapped by a heavy seat.

With a demand for more personalized design, the trend of sanitaryware in special finishes is dominating bathroom design across the world. Subdued, organic, and neutral tones such as Matt Grey, Matt Black, Matt Mint, and Matt Mocha add warmth and depth to any design scheme. Bold special finishes such as Gold, Rose Gold, Platinum, and

Black add a unique character and luxury to the bathroom or powder room. The introduction of new special finishes to our collection adds a new dimension to our carefully crafted design schemes. These budget-friendly washbasins & toilets can be used to add glamour to any bathroom or powder room.

Rose Gold & Black

The latest addition to our range of Special Finishes in Ceramic Wash Basins & WC's is a stunning combination of the subtle luxury of Rose Gold with the noir richness of Black. Perfect for creating a wow-factor to any bathroom or powder room.

Rose Gold & White

With the trend for special finishes currently dominating bathroom design, Rose Gold is by far our best-loved finish. Combined with White, these washbasins & toilets add subtle luxury to any bathroom or powder room space. The Glossy White Finish of the interior bowl and rim makes maintaining the toilet hassle-free.

Crocodile Leather Finish

The lavish 'Leather' finish is inspired by the texture of luxurious crocodile-finish luxury lifestyle items. The addition of the texture on Black Ceramic adds an elegant element to the collection. The overall glossy finish of these best-selling washbasins and toilets make them very easy to maintain.

Matt Mint

We create finishes that don't just complement the room but stay true to the overall sense of style one is looking to create. Matt Mint is our first addition in pastel shades which are inspired by organic colors observed in nature. The soothing finish of Wash Basins & Toilets in this range add a sense of tranquility to your bathrooms or powder rooms.

Since washbasins are the most habitually used items in the bathroom, we aim to combine maximum functionality with unmatched design aesthetics to suit your interior design.

Our latest collection of large wash basins is based on a theme of soft minimalism. Strong, simple lines are beautifully balanced by soft, sculptural edges.

A wide selection of sizes and shapes are available in our Toilet collection: Round, oval, or rectangular. Rectangular/squarish toilets have a stylish contemporary vibe and are a popular choice. Round and oval toilets are more comfortable to sit on compared to rectangular/squarish toilets. We also have compact toilets which are perfect for the smallest of city bathrooms.

Premium toilets ensure maximum hygiene and minimize the effort needed to clean and look after them as a result of the innovative **'Blind' Installation** feature. A **'Rimless'** WC has a unique flushing system and its design effectively prevents dirt and deposits from accumulating inside the toilet bowl. A powerful new flushing system, the **'Swirl Flush'** is optimized for effectively cleaning the toilet bowl.

CARE AND CLEANING GUIDE LINES - ALL PRODUCTS

- Do not allow cleaners to sit or soak on the product.
- Wipe surfaces clean and rinse completely with water immediately after applying cleaners.
- Use a soft, dampened sponge or cloth to clean. Never use an abrasive material like a bristle brush or scouring pad.
- DO NOT use any cleaning products on Toilet Seats.

SPECIAL CARE AND CLEANING GUIDELINES - MATT FINISH PRODUCTS & BASINS WITH SPECIAL FINISHES

- Always test your cleaning solution in an inconspicuous area on the product before applying it to the entire surface.
- For everyday care of wash basins, use only warm water to clean and then dry with a soft, non-scratch sponge or cloth.
- If you wish to use cleaning products on Toilets, dilute the cleaning product with water. Do not allow the cleaning product to sit on the product, rinse immediately. Do not use cleaning product on toilet seats.
- Do not use aggressive or abrasive cleaning products.

WARRANTY INFORMATION

We are confident that our products will give you many years of trouble free operation. However, for peace of mind, all our products are covered by the following warranties:

Products	Residential Use	Non-Residential Commercial Use
Vitreous China (Glossy White/Ivory Ceramic)	10 Years	05 Years
Sanitaryware Finishing (Matt Finishes/Glossy Color Finishes/Electroplating, etc.)	03 Years	18 Months
Toilet-Seat Soft-Close Mechanism	01 Year	06 Months
Toilet Seat or Flush Tank Spare Parts	01 Year	06 Months

Our Team is passionate about delivering Exceptional Customer Service. In the unlikely event that you do have a problem with an Aquant product, you can contact us for assistance. We have a dedicated Toll-Free Customer Helpline backed by Service-Centers across the country.

If you prefer, you can email us at customer.care@aquantindia.com or visit <https://www.aquantindia.com/customer-care>
